

Dear Sir or Madam,
Thank you for your interest in our flour products. We are pleased to provide our commercial offer for flour supplied from Ukraine or Romania, depending on your preferred origin, logistics route and delivery requirements.

Origin and dispatch location are aligned: Ukrainian-origin flour is supplied from Ukraine, while Romanian-origin flour is supplied from Romania.

PRODUCT	Flour Available flour types and specifications are confirmed according to the customer's requirements and intended application.
ORIGIN & SUPPLY	Ukraine: Ukrainian-origin flour supplied from Ukraine. Romania: Romanian-origin flour supplied from Romania. The country of origin and dispatch location are stated in the final quotation and commercial documentation.
PRODUCT SPECIFICATION	Flour specification is agreed individually according to product type, application and destination market. Technical parameters and product documentation are available upon request.
PACKAGING	Packaging format and unit weight can be adapted to the product, customer requirements and destination market. Export-suitable packaging is available.
PRICE	PRICE ON REQUEST The final price is calculated individually based on the product type, country of origin, delivery terms and order volume.
DELIVERY TERMS	Delivery terms are agreed according to the selected origin, destination, shipment method and order requirements. Incoterms® 2020 can be specified in the quotation.
DELIVERY PERIOD	Lead time is confirmed individually after agreement on the product specification, quantity, packaging, origin and delivery terms.
QUALITY & INSPECTION	Quality control and laboratory analysis can be arranged upon the buyer's request and in accordance with the agreed product specification and applicable requirements.
DOCUMENTS	Commercial Invoice • Packing List • CMR / transport documents • Certificate of Analysis • Product Specification • Origin documentation, where applicable • Export/customs documentation and other documents required for the destination market.

AVAILABLE ORIGINS

UKRAINE — Ukrainian origin / supply from Ukraine
ROMANIA — Romanian origin / supply from Romania

We would be pleased to discuss your requirements and prepare a tailored quotation.
Please let us know your preferred flour type, destination, required volume and preferred origin — Ukraine or Romania.
